ADVISORY TO THE PUBLIC

Partial Road Closure Needed to Support System Improvements

(Fadian, Mangilao) – Guam Power Authority (GPA) advises the public of a partial road closure in Dededo scheduled from Friday, January 24, 2025 at 10:00 p.m. through the following day, Saturday, January 25, 2025 at 6:00 p.m.

Crews will be performing system improvements along Route 1, Marine Corps Drive from the Harmon Substation towards LMS. As work is being conducted on the southbound side (Harmon Substation), crews will need to close off the outer two southbound lanes. Subsequently, crews will then conduct work on the northbound side (Micronesia Mall) and will need to close off the outer two northbound lanes.

Additionally, crews will need to divert traffic and close all southbound and northbound lanes in this affected area for approximately 1-2 hours sometime between 12:00 a.m. through 6:00 a.m. on Saturday, January 25, 2025.

Highway road signs will be visible to direct motorists as work is being performed in this area. Motorists should expect traffic delays. Road closures are necessary in order to ensure the safety of the line crew and other personnel. In the event the work is completed earlier than scheduled, lanes will be reopened shortly thereafter.

We apologize for any inconvenience this may cause. To get the most up-to-date information, please visit our website at www.guampowerauthority.com or social media pages.
