Services
(AGMETS)

Virtual Meeting Ground Rules

When joining the WebEx Meeting:

1. Participants will be *unable to use* the “Call me” option for audio. This feature is currently disabled.
2. Participants may use the Call-in option, using the number provided. Please note that this number is **not toll-free**.
3. Participants are not required to enable video during the WebEx.
4. Participants are required to place audio on **MUTE** during the entire presentation, except for clarifications, providing input, or when asking questions.

Virtual Meeting Ground Rules

During the IRP Kick-Off Meeting:

1. The meeting will be recorded. Questions/comments/discussions on the Chat Window shall be recorded as well. Please practice proper online meeting etiquette.
2. All participants will be on mute. Questions and clarifications will be addressed after each presentation.
3. For question sent via Chat window, it shall be addressed in the order it was received.
4. In case of connection issues, please call 648-3200 (Paz) / 648-3223 (Bea) for assistance.

The presentations will be recorded and participants who may miss some parts of the meeting due to connection issues may be provided a copy of the recorded meeting.
